Principal’s Message

Welcome to the Stock Report for Weeks 8 Term 3.

This Tuesday Mrs Webber’s class went to Temora to visit the Rural Museum and Aviation Museum as part of their transport unit of work. Mrs Webber arrived back at school saying they had the best day and the students were very excited as well. A report by the students on this excursion will be included in this Stock Report.

Mr Trickett’s class visited Cootamundra Public School to take part in the author visit by Michael Salmon.

They then visited the Heritage Museum.
Then to finish their wonderful day headed to **Pioneer Park** to complete some orienteering activities as part of the maths curriculum. A great day was had by all, including Danniella, who with Vicki’s assistance, got further up Pioneer Park than any of the other children thought she would be able to. A great example of resilience. A report by the students on this excursion will also be included in the Stock Report.

Friday is the last day for Miss Chater at our school, as it is the end of her practicum. Miss Chater has become a much valued member of our staff, contributing in a very professional manner in the staffroom, classroom and the playground. The children love her enthusiasm, her creative lessons and her willingness to become involved.

I hope that Miss Chater’s time at Stockinbingal Public School has contributed positively towards her professional development and that she will think fondly of her time at our school. We thank her for the effort she has made towards the development of the students of the school and the support that she has shown towards staff.

I am sure that Miss Chater can look forward to a long and rewarding career as a teacher of the highest quality.

This is also **School Administration and Support Staff Recognition Week**. A week when we recognise the contribution that our SAS staff, Annie, Vicki, Terese and Glen make to the successful running of the school and the education of your children.

We are exceptionally lucky at Stockinbingal Public to have such dedicated and caring people working with the teachers and students, to ensure that everything runs smoothly and the students are supported in their learning.

On behalf of the staff, students and parents of Stockinbingal Public School I would like to thank Annie, Vicki, Terese and Glen for their work and dedication.
Professional Development
- On Thursday, 4th, and Friday, 5th of September Mr Trickett will be in Wagga Wagga working on the new school plan, with Department of Education and Communities executives from Sydney in attendance.
Mr Trickett will present the work completed so far on the school plan at the next P&C meeting on Tuesday, 9 September.
- Mr Trickett will have his Principal Assessment Review with the Director of Public Education Mr Jim Roworth on Monday, 8 September

What’s Happening
- P&C meeting at 7 PM on Tuesday 9 September.
- Special Assembly Thursday, 11 September (with Jump Rope the Heart activities following a short lunch.)
- Arabin Cup Friday, 12 September PERMISSION NOTE attached
- Riverina Environmental Education Centre school excursion to Wagga Wednesday, 17 September PERMISSION NOTE attached

A little bit of trivia for the week.
Wednesday was National Flag Day in Australia, celebrating the anniversary of the first day that the Australian flag was flown in Melbourne in 1901. A prize of 10 bingals will be given to any student who can find out what the symbols on our flag mean.

Have a great weekend. Hope your footy team gets up.
Colin Trickett
Principal
